

Sorcerer's City Sentinel

Sorcerer's City: Empress Raven of the Southern Empire, pays tribute to the Kingdom of Elenium. Queen Charrette accepts the tribute and says this tribute will usher in an era of peace and understanding between our two nations.

Altars of Ellina: The election was held a few days ago and the new head of the Altars of Ellina is Henry Picket of Tarrick, the two Counselors are Idun of Brell, and Katann (KATO) Aron of Tiara

Henry's first decree is to proselytize. He wants every regent to have 10 new members by the end of next year.

Southern Aviron: Princess Aluin (Queen of the Hells of Iron and leader of the Black Sapphire Army) now moves south toward the Kingdom of Silvermoor. She has only met minor resistance from the surrounding settlements. Several heroes and the elves of Valley of the Telerie are going to Silvermoor's aid.

Elf Lands Empty? It looks as the whole nation of elves is heading east. It seems the rumors are true, the elf queen has gone mad.

Bravari: The most recent class of the Bravari Leadership Academy has graduated one of its own. Dieter of Storm-Mark Graduates the academy with honors.

Gibra Sheen of Apple Cove, has been made Raccoon's Distillery a growing business. She has some secret recipes that have been bringing in large orders.

Scouts of Quitari, lead a revolt in Vivue. There is no outcome and the government is claiming they put down the revolt.

The Band of the Boot has recovered the Lamp of Honesty.

Katann (KATO) Aron: talks about "Tyche's Blue Sphere". He says it brings good fortune to those that say its secret word once each day.

Lord Uller of Coral Wood, is rumored to be looking for a wife.

Rumors: Another rumor is circulating about the Mirror of the Cat. The belief is it improves Perception, changes your eyes to cat like pupils. Helps with speed in combat. Also gives better Vision.

Knights of Jha'Dur: The Knights are hunting down a recent band of elves that they believe has tampered with a holy site of Andor.

Light Blue Flame: The bodies of this adventuring group has been located and, it seems they were killed by an aberrant monster.

Marines: The Marines of Sivan have put down another sea monster trying to enter the harbors along the south coast of Aviron.

Hippogriff's Web Tavern: Boy this was an awful experience from the start. The staff was merely okay. Their Haggis was awful, and their beer was watered down. *

Obit: A Young mother Leelayh Varicc, dies mysteriously leaving 2 small children homeless, clerics and authorities can't explain it. She just dropped dead, right in front of 20 people.
