The Town readies for the Day of Victory Celebration. 15th of October marks the 10th anniversary of the closing of the last portal from the world of Jidar and the end of the war. Contessa De La Soule has provided 1,000gc to help the celebration be one that will never be forgotten. At the Celebration several people will be honored for the defense of the city last year.

Navae' a bard who owns a small music hall is being honored and has been given a small house, and the Honorable Service medal with a rosewood cluster.

Shae Dara and his sister Zmine are each given the Medal of Valor. The Street over Zmine's new inn has been changed to Zmine View Way. Shae has been given a special residence to accommodate his strange lifestyle. Jalak Seabreeze a follower of Sivan was given the medal, Lady's silver Cross with an oak leaf cluster. Also the port name is now Seabreeze harbor. Finally Brak Caamar has earned the medal for Conspicuous Gallantry. Brak has also been given land to build a school for young orphans..

His Holiness Endred Vorathadar Legate of Dara. Practices what he preaches. Returning from an adventure. He has recovered the Map of Unseen Lands.

Cethien's Rapier: After Peak Island was saved by the AG group Worthy Cause. An old inn in the new city of Port Justice has opened its doors with a new look and feel. At first blush it looks good. It has an island look and feel. The owner Cethien a follower of Dural did most of the work himself restoring the inn. The new Mayor, Magistrate Harold was on hand to sample the cuisine. We had a Zinc Scorpion Cocktail that was quite shocking and took a little getting used to, but it went well with the Fess Fried Dumplings.

All in all a good experience and a good rebirth for this city.

Flur: The Realm of the Dark Sisters has seen its share of strange happenings. Again, a monster of some type got released from someone's underground laboratory. A stranger was seen being chased by the creature and a dragon finally hunted the creature down and brought back its head.

The Silver hand: An AG group in Regnum Eon was last seen entering the area around Dragon's Drink. If anyone has any news let the AG know

Call to Arms: Follow up: Many centaurs flocked to Jokar's banner. Many died. Those killed include Arch Druid, Shiron Hotrah of Small Wood. Jake D'Gorwar a ranger of Eastwood and Newman Hoshk.of the Tower of Aldora a wizard of that order and follower of Bahamut. This is a powerful blow against the centaurs. Losing 3 of its more powerful men.

Last Night: Police raided and arrested several members of the Pewters Guild. Also a company of elf knights entered town.

OBITS:

Lord Virgil of the house Tracey Dies at 70. Lord Virgil was always up for the fight for fairness to the commoners. He was tragically murdered in his home august 30th. He was celebrating his birthday with friends. Fortunately unnamed adventurers were present and were able to stop the supernatural killer. Many wonderful things were said at his funeral.

To the Cat: The Bat will wait for you.
